TO: Potential Exhibitors

FROM: Susan Lee, Conference Exhibitor Chairperson

The Florida Council of Teachers of Mathematics (FCTM) is pleased to host the FCTM 67th annual state conference. We know that all of the exhibitors as well as attendees will be talking about this event for years to come! The conference will begin October 1st and will go through Saturday October 3rd in Orlando, Florida. It will be held at the Caribe Royale at 8101 World Center Drive.

The conference will include many mathematics education sessions, opened by a general session for everyone on Thursday morning. We will be having a **Friday evening party**, **nationally known** featured **speakers**, many free receptions, an Exhibitor Open House, a **free** closing session, **special give-a-ways**, and more!

We want our exhibitor's to be happy! We will have baskets full of prizes for the attendees to win! Each attendee will visit vendor booths to get stamps on a card which they trade in at the hospitality booth for tickets. These tickets will then be deposited by the attendee in specially marked bags. The more stamps collected the more chances to win. It is our intention to ensure that **each of attendees visit as many vendors as possible!**

We look to this conference to be very successful and hope you will join us as an exhibitor. Within a few weeks you will receive information that will offer you an opportunity to sponsor a social event, advertise in the program, or sponsor any additional items for teachers.

The early registration cost (payments received by June 30, 2020) for each 8' x 10' booth is \$800.00. After June 30, 2020 the cost is \$900. You may choose to pay online at <https://fctm.net/what-we-do/conferences/exhibitor-info/>. Follow the link to conference information for exhibitors and submit your payment there. Another payment option is to pay by check (see form for additional details).
