

Numeracy Week

2026

March 9-13

Florida Council of
Teachers of Mathematics

9

MONDAY

Marvelous Math Monday

Math is Everywhere! Dress as Your Favorite Number

Dress-Up Idea: Dress as your favorite number or wear a shirt with math on it! Activity: Number Hunt - Students find and record numbers around the classroom or school.

10

TUESDAY

Pattern Power!

Patterns & Shapes help us understand Math

Dress-Up Idea: Clothes with stripes, polka dots, or geometric shapes
Activity: Shape Scavenger Hunt - Identify shapes in the environment and create a tessellation art piece.

11

WEDNESDAY

Wacky Fraction Wednesday

Fractions & Decimals

Dress-Up Idea: Split outfits into halves or quarters (e.g., two different colors on each side).
Activity: Fraction Fashion Show - Students explain their outfit using fractions (e.g., "1/2 blue, 1/2 red"). Or put together a recipe using fractions!

12

THURSDAY

Math is Shockingly Fun

Game & Puzzle Day

Dress-up idea: Shock us with your craziest hair/outfit!
Activity: Incorporate time to partner up and play a game or complete a puzzle!

13

FRIDAY

Be a "Pi-rate!"

Dress up idea: in honor of Pi Day (3/14) dress as a pirate but be sure to include the symbol somewhere!
Activity: How many numbers do you know in pi? Read a book or share a video to help students understand this symbol, enjoy a sweet treat!
