

Hello,

Welcome to CAMP FCTM! The 2026 FCTM Conference is right around the corner! Our conference committee is excited to host you at the beautiful Hyatt Regency Riverfront hotel in Jacksonville FL. Below is some important information about the conference. Please read it carefully and reach out if you have any questions!

### Conference App

Our conference program is completely digital through the **MC Member App**. We will have a printed day-at-a-glance every morning of the conference at the Registration Desk, but the App is where the most up-to-date information is available. There is also a pdf version of the entire schedule posted [HERE](#).

### How To Download The EventMobi App

1. Download and install the **MC Member App** from the Apple Store or Google Play Store. The icon should look like:

2. Open the App

3. You'll be prompted to search for an app or enter a code. Enter code: **fctm26**

4. Once on our app homepage, click on the profile icon at the top right corner of the screen to log in. You should log-in using the email address you registered with (the e-mail this message went to). However, if that does not work, you can always use sign-up and follow the directions to gain access to the content. You will be sent and asked to retrieve a code from your email in both cases. The only piece you would not have access to if you do not use the same e-mail as the one on file, is you won't be able to see and message other attendees on the app. All scheduling features would be active.
